

## **FINAL STATEMENT OF REASONS**

### **1) The Update to the Initial Statement of Reasons**

There are no changes to the initial statement of reasons which is hereby incorporated by reference.

### **2) Form Incorporated by Reference**

Subsection 156.00 (a) specifies the Application for Clean Air Vehicle Decals form (REG 1000, REV. 1/2004), which must be completed by the registered owner and submitted to the department to obtain the Clean Air Vehicle Decals for a qualifying vehicle. This form is being incorporated by reference since it is impractical and cumbersome to publish in the California Code of Regulations a form that will only be used for a specified purpose.

### **3) Imposition of Mandate on Local Agencies or School Districts**

The department's regulatory action amending Section 156.00 in Article 3, Chapter 1, Division 1 of Title 13, does not impose any mandate on local agencies or school districts and imposes (1) no cost or savings to any state agency, (2) no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code, (3) no other discretionary cost or savings to local agencies, and (4) no cost or savings in federal funding to the state. No studies or data were relied upon to make this determination.

### **4) Summary of Comments Received and Department Response**

The proposal was noticed on April 9, 2004, and made available to the public from April 9, 2004 through May 24, 2004. No comments were received on the regulatory proposal.

### **5) Determination of Alternatives**

No reasonable alternative considered by the department, or that has otherwise been identified and brought to the attention of the department, would be more effective in carrying out the purpose for which these regulations are proposed or would be as effective and less burdensome to affected private persons than the proposed regulations. During the rulemaking process, no alternative that would lessen the adverse economic impact on small business was submitted.
